Dear Parents and Guardians:

At their meetings last month, the School Board and the Willow Springs Village Board approved an agreement for the school to employ a School Resource Officer (SRO). That program starts today!

The primary duty of the SRO will be to keep students and staff safe and to keep the building secure. Other duties will include relationship building with the kids at lunch, recess and through instructional units and lessons (DARE, Stranger Danger, Anti-Gang instruction, etc.).

The SRO is an on duty Willow Springs Police Officer and will be wearing a uniform, etc.

One of the duties that the SRO will not have is school discipline. School discipline remains the responsibility of the teachers and school administrators.

We are pleased to be partnering with the Willow Springs Police Department to keep our students safe in school and teaching them to be safe in the community.

Sincerely yours,

Lori Smuda
