# Time for Kindergarten screenings

Tuesday, March 3, 2020

WILLOW SPRINGS SCHOOL

KINDERGARTEN PRE-REGISTRATION AND SCREENING

Willow Springs School District # 108, 8345 Archer, Willow Springs, will hold kindergarten **pre-registration and screening** on Tuesday, March 3, 2020. Registration will take place from 9:00 a.m. to 2:30 p.m. The screening of your child is very important and will take approximately 45 minutes.

If your child will be five years old on or before September 1, 2020, he/she is eligible to enter kindergarten for the 2020/2021 school year.

In order to **pre-register** your child, you must bring with you **three** proofs of residency. One must be a **current** lease, mortgage bill, or property tax bill. The other proofs must be two **current** utility bills in the parent name. Additionally, a copy of your child's **original** Birth Certificate is also required. All parents will also be required to sign an affidavit to ensure proof of residency. Any medical information (shot records) you have on your child will also be helpful. Please call Mrs. Flores at the Willow Springs School office at (708) 839-6828 to make an appointment.

# WINTER WEATHER

A friendly reminder to parents to bundle up their student(s) for school

**8:10am Morning Supervision** is it indoor or outdoor? The target temperature is 20 degrees. Students will stay indoors if the temperature is 19 degrees or lower. Students will remain outdoors if the temperature is 20 degrees or above.

**Recess indoors:** The temperature is 19 degrees or lower. K-5 Students will have recess in the gymnasium.

**Recess Outdoors:** The temperature is 20 degrees and above. All K-5 students will go outside for a 20 minute recess. Students will be allowed to play in the snow if they are dressed appropriately.

**DRESSING FOR COLD WEATHER**

Adding layers will help keep you warm as the temperature drops

**CHILLY**

### Keeping Sick Children Home

#### Guidelines for Keeping Sick Children

#### Home from School-REMINDER!

Each day many parents are faced with a decision: should they keep their sick children at home or send them to school? Often the way a child looks and acts can make the decision an obvious one.

The following guidelines should be considered when making the decision:

**Fever:** The child should remain home with a fever greater than 100 degrees. The child can return to school after he/she has been **fever free for 24 hours (without fever-reducing medicine such as Tylenol or Motrin)**.

**Strep Throat:** Following diagnosis by rapid strep test or culture, the child may return to school **after 24 hours of antibiotic treatment and 24 hours fever free without fever reducing medication (Tylenol/Motrin)**

**Diarrhea/Vomiting:** A child with diarrhea and/or vomiting should stay at home and return to school only after being **symptom free for 24 hours**.

**Conjunctivitis (Pink Eye):** Following a diagnosis of conjunctivitis, the child may return to school **24 hours** after the first dose of prescribed medication.

**Rashes:** Common infectious diseases with rashes are most contagious in the early stages. A child with a suspicious rash should return to school only after a health care provider has made a diagnosis and authorized the child's return to school.

**Flu Symptoms/Colds:** A child with thick or constant nasal discharge should remain home. Very few younger children can effectively blow their noses and wash their hands afterward. A child with the above symptoms will quickly spread the illness to other children.

**Head Lice/Pediculosis:** Willow Springs School has a "no nit" policy. Student must be free from live lice and louse eggs before returning to school. Any child who has been treated for head lice must be cleared by the School Nurse before returning to school.

A sick child cannot learn effectively and is unable to participate in classes in a meaningful way. Keeping a sick child home prevents the spread of illness in the school community and allows the child opportunity to rest and recover.
