LIBRARY REGISTRATION REQUIREMENTS

For first-time applicants, renewals, and card replacements:

-Justice, Sterling Estates and Willow Springs* residents only

-Must provide TWO proofs of residency and a photo I.D. – if the photo I.D. has the correct address, that counts as one proof of residency. Other proofs of residency accepted include current utility or credit card bills, rental agreements, mortgage statements, car registration, voter's registration, and insurance cards (if the address is on them). If you are unsure your proof of residency will be accepted, call the library before coming in to apply.

-Children under 18 years of age must be accompanied by a parent or legal guardian to apply for a new card, replace a lost or damaged card or to renew a card. Parents must provide TWO proofs of residency, as listed above.

-If you are renewing your card, you must bring your current Justice Public Library card, even if it is expired. If you do not have your card, you must pay a fee for a replacement card (see FINES / FEES below).

-All fines, fees, or charges for lost material from any library must be paid before a library card will be issued, renewed or replaced.

*(*Willow Springs residents must pay a yearly fee of \$66.92 for each household. This is not to be unfair. It's because Justice and Sterling Estates residents pay for the library in their real estate taxes. Willow Springs residents don't. The fee is a calculated average of what Library District residents pay annually.)*

October 16, 2020

Dear Parents/Guardians:

As we all know life during a pandemic has changed for all of us and the health guidelines continue to change as well. On October 12th the Illinois State Board of Education (ISBE) stated that any child not in compliance with immunization/physical requirements will be allowed to continue with remote learning from home. However, ISBE also states that any child not in compliance with health records will NOT be allowed to return to in person learning. No exceptions. If you have received letters from me stating your child does not meet immunization/physical requirements, I strongly urge to make appointments with your doctor as soon as possible.

Sincerely,

Lisa Perea BSN, RN, PEL-CSN

News from the Principal

Parents,

We are working on our plan to return to school!

This week I hosted two parent meetings to inform everyone of the changes to our Blended Model of Instruction. I recorded one of the meetings for your convenience, and have attached it to the beginning of this email. After viewing, **PLEASE** fill out the parent survey. We need to know which students are returning to school and which families will be staying in the remote model. To make sure all responses are recorded please fill out the survey by **Friday, October 22nd**.

Please call school if you need any questions answered.

Mrs. Lori Smuda
