October 16, 2020

Dear Parents/Guardians:

As we all know life during a pandemic has changed for all of us and the health guidelines continue to change as well. On October 12th the Illinois State Board of Education (ISBE) stated that any child not in compliance with immunization/physical requirements will be allowed to continue with remote learning from home. However, ISBE also states that any child not in compliance with health records will NOT be allowed to return to in person learning. No exceptions. If you have received letters from me stating your child does not meet immunization/physical requirements, I strongly urge to make appointments with your doctor as soon as possible.

Sincerely,

Lisa Perea BSN, RN, PEL-CSN
