May 14, 2021

Dear Willow Families:

As another sign of moving towards more normalcy, the Centers for Disease Control relaxed mask wearing restrictions yesterday for fully vaccinated individuals.

As none of our students are fully vaccinated (12 year olds and up became eligible for the vaccine only yesterday, and those younger than 12 are not eligible yet), Willow Springs School will continue to require masks for everyone while in the school building. Mask breaks are allowed outdoors when students are 6 feet apart.

As good role models for our students and to reduce confusion for our students, all staff, including fully vaccinated staff, will continue to wear masks when students are in the building.

I hope that the vaccine is approved for kids under 12 years old before too long. That will be a game changer for your family and for us at school. I think we're getting closer.

Enjoy the weekend! More information will be coming to you next week regarding the last days of this school year.

Sincerely yours,

Frank C. Patrick

WILLOW SPRINGS SCHOOL, WHERE A LOVE OF LEARNING GROWS.
