Dear Willow Community,

July 19, 2021

It is with great sadness that we inform you of a tragic car crash over the weekend that claimed the lives of four individuals; two of which were former Willow students, and another was the older brother of some of our current students.

As a community, we grieve their loss and want to express our condolences to their family and loved ones. Their young lives were tragically cut short, but we will remember their easy smiles, friendliness and big hearts.

Two students were also injured in the crash, one of whom is a former Willow student. We understand this young person has been released from the hospital.

Today, at Willow, we had a social worker on hand to work with students who may need additional support during this sorrowful time. We are here to support our students and community. Please feel free to reach out to us so we can provide assistance during this challenging time.

Sincerely,

Alexandra Oreluk
