Dear Willow Springs School Families and Community Members:

On behalf of the entire School District 108 Board of Education, it is with great pleasure that I introduce Mr. Steven Bahn as the Superintendent of the District for the 2021-2022 school year. We are confident that Mr. Bahn will do great things for our school!

Mr. Bahn is recognized as a dedicated leader who understands and values the importance of collaboration and effective communication. His leadership style and skills are instrumental in developing strong relationships that foster mutual respect and a common vision for improvement.

Prior to coming to Willow Springs School District 108, Mr. Bahn had a long history with LaGrange School District 105. He started there in 2006 as Principal at Ideal School before moving to become Assistant Superintendent and, finally, Superintendent. His teaching experience was in 4th and 5th grades. Mr. Bahn is completing his work towards his Doctorate in Educational Leadership at National Louis University.

"I am truly honored to accept this position and am truly looking forward to working with the Willow Springs School community," was Mr. Bahn's response when accepting the position.

Mr. Bahn's official duties will begin on August 1st. In the meantime, he and Mr. Patrick will work together to build a solid transition of leadership for the future of our District – for the future of our students!

Sincerely yours,

Mary Ellen Weeg, President
Willow Springs SD 108 Board of Education
