Dear Guardians of Willow Students,

9.1.21

Happy September! It is hard to believe that we started the school year a little over two weeks ago! We are so happy to welcome each student back to the building. As the school year progresses, we are continuing to evaluate our practices in order to make sure that we are creating the safest environment for our students.

Through this continuous evaluation process, we have decided to modify our breakfast service for our students. At this time we believe it is best if students have breakfast at home as opposed to eating at school. Our breakfast schedule is busy and more challenging to manage in regards to maintaining appropriate social distancing for all students.

We will be sending breakfast home with students every week until further notice. The schedule is as follows:

- All students will have the opportunity to go home with 7 breakfasts on Fridays.

All students can go home with breakfasts for **no charge**.

This change in procedure will *not* alter our AM bus times. There will still be early buses (7:50) and on time buses (8:10) at the same pickup locations. We ask that students continue coming to school at the same time and on the same bus as they have for the past two weeks.

We will be sending students home with breakfasts at least through the month of September. This will give us time for ongoing evaluation of our procedures and safety practices within the building. We hope to resume on-site breakfast at some point during the school year.

The first set of breakfasts will go home on Friday, September 3rd.

Please feel free to contact us with any questions or concerns.

Sincerely,

Alexandra Oreluk + Steve Bahn

WILLOW SPRINGS SCHOOL, WHERE A LOVE OF LEARNING GROWS.
