November 9, 2021

Residents,

The sample results from yesterday's boil order have just been received. The water is safe to drink and always has been. This boil order was enforced as a precautionary measure only.

BOIL ORDER HAS BEEN LIFTED. ALL RESIDENTS NO LONGER HAVE TO BOIL ANY WATER FOR CONSUMPTION.

We want to thank you for your patience and understanding in this manner. Providing safe water to our residents is our number one priority, and we strive to take every matter or risk very seriously to ensure we continue to do so.
