

Our vision is clear.

As the world becomes increasingly digitized, children become more vulnerable to risks. The **Internet Crimes Against Children** task force is committed to creating a world where children are safe and protected from online exploitation.

The Illinois Attorney General's Office, High Tech Crimes Bureau, ICAC program delivers virtual training to children, teens, and parents/guardians that provide valuable information on how to stay safe and avoid online risks.

"Digital Safety Education"

This month an Internet Safety Specialist from the Illinois Attorney General's Office (ICAC Task Force) will be presenting to our students on the following topics:

- Privacy & Safe Accounts
- Cyberbullying & Positive Digital Citizenship
- Appropriate Posts/Digital Footprint
- Image Sharing & Predatory Risks
- Trusted Adults & Reporting

Parents,

Please use this as an opportunity to speak with your child(ren) about safe responsible online behaviors.

Please check out our upcoming webinars!
